## WORK EXPERIENCE

### INTERNATIONAL MARKETING SPECIALIST - TÜZEMEN TEXTILE | 2023–PRESENT

- Secured new clients through international trips and product presentations.
- Optimized export and courier logistics for faster global shipping.
- Managed end-to-end B2B sales cycles from lead generation to after-sales support.

## PROJECTS

### MENUPEDIA          TOOLS: Next.js 15, TypeScript, Tailwind CSS, Clerk, Next-Intl, Drizzle ORM, PostgreSQL

- Developed a full-stack restaurant menu management platform with multi-language support (5 languages)
- Designed and implemented a normalized PostgreSQL database schema using Drizzle ORM
- Built a secure admin dashboard with full CRUD functionality for restaurants, categories, and menu items
- Integrated Clerk for authentication and UploadThing for image handling
- Implemented real-time search with server-side rendering to enhance SEO and UX
- Maintained code quality with ESLint, Prettier, and pnpm

### QR CODE COOKER          TOOLS: Next.js 15, TypeScript, Tailwind CSS, NextAuth.js, Drizzle ORM, PostgreSQL

- Built a dynamic QR code generator with real-time preview and scan tracking
- Implemented OAuth-based user authentication with NextAuth.js
- Developed responsive UI and full CRUD operations for managing QR codes
- Designed a PostgreSQL schema and managed data flow using Drizzle ORM
- Applied custom styles and used Tailwind CSS with Radix UI components

### HANGFLOW RY          TOOLS: Next.js 15, TypeScript, Tailwind CSS, Next-Intl

- Created a bilingual marketing site with route-based localization (English & Finnish)
- Developed reusable UI components including hero sections, sliders, and content blocks
- Built a custom image slider without external libraries for full control
- Used semantic HTML and optimized images for speed and accessibility
- Applied dynamic routing for scalable page management

## EDUCATION
